Merrifield, VA 22116
ATTN: Chemical Right-To-Know Program

Dear Administrator Whitman:

In keeping with Cytec's 1999 commitment to the EPA High Production Volume Voluntary program, attached find a robust summary and test plan for CAS # 2778-42-9, Isocyanic acid, m-phenylenediiso-propylidene.

The robust summary and test plan is provided as hard copy and in pdf format.

Sincerely,

Randy Deskin, Ph.D., DABT
Director, Toxicology and Product Regulatory Compliance Department
